AMP RESEARCH **Bed X-Tender**™

HAUL MORE. Get more usable length from your pickup bed with a Bed X-Tender™. Made of super strong aircraft aluminum and high-impact nylon composite components, this proven design is extremely lightweight, yet tough enough to use a bench. Whatever you load in your pickup, keep it secure with a Bed X-Tender™ invented and built by AMP Research.

QuickLatch mounts make it easy to install and remove from any angle. Lower the tailgate and flip the Bed X-Tender out for extra length. Close the tailgate and flip forward to create an enclosed area for grocery bags, tool boxes or camping gear.

AMP RESEARCH Bed X-Tender™

Lightweight, super strong 6063 T6 aluminum tubes now available in durable black or silver powder coat finish.

Instantly adds up to 2 feet of length to your truck bed. Perfect for ATVs, motorcycles, bikes or any long cargo. Tough enough to use as a bench.

Proudly made in USA.

Snaps into the truck's tailgate latches for extra security.

QuickLatch mounts make it easy to install or remove from any angle
